# KHANDRO THRINLAY CHODON

Sydney Visit November 11-15, 2016

**Khandro Thrinlay Chodon is a lay female Buddhist practitioner and teacher, born into a family of great Tibetan yogis. Khandro Rinpoche began her spiritual training as a small child and has studied both Eastern and Western approaches to spiritual psychology. She is devoted to bringing the wisdom of her ancient tradition alive in our modern world.**

Khandro-la's life work and vision "Khachodling" engages in spiritual and humanitarian projects in the remote Himalayas. "Khachodling" translates as a place where the heart essence of wisdom,

known as the feminine principle in Buddhism, is nourished and respected. Rinpoche (an honorific title meaning Precious One) is the embodiment of warmth and humanness and her teachings skilfully inspire us to deepen our mindful awareness and courageously expand into the path of wisdom, joy and compassion.
